

DATASHEET

WHERE HEAVYWEIGHT NOISE CANCELLATION MEETS LIGHTWEIGHT COMFORT

The all-new BlueParrott® B350-XT is packed with features designed to improve your life on the go. As well as our industry-leading 96% noise cancellation, this lightweight, comfortable headset is tough enough to handle life on the road, with IP54-rated protection against dust and moisture. It also offers VoiceControl™, enabling you to answer and reject calls using just your voice.

Benefits

- **Industry-leading noise cancellation.** Blocks out 96% of background noise.*
- **Up to 24 hours of talk time.** Keep talking all day, with a battery built to last.
- **Customizable Parrott Button™.** Customize your favorite features and control the headset your way.
- **Tough, IP54-rated design.** Tough enough for life on the road, with IP54-rated protection against dust and moisture.
- **Improved headband.** New, wider headband, for added comfort and all-day wear.
- **VoiceControl™.** Answer or reject calls with just your voice, keeping your hands free.
- **Large, easy-to-press buttons.** Large buttons are easy to locate and press, for maximum ease of use.
- **Improved wireless range.** Now with a range of 300 feet/ 100 meters from paired Bluetooth® devices.

Engineered for superior calls in high-noise environments
